We're thrilled to have you as part of our community or to know that you're considering joining our organization. We believe that your membership with us will not only meet but also surpass your expectations.

Since its inception in 1975, our concept of 'service to seniors by seniors' has been at the heart of LSCO. Over the years, we've evolved into one of the largest organizations in Canada for adults aged 55 and older and are an active charity in the community

Our Community Centre is a multipurpose 56,200 square foot senior centre located in the heart of the city. It is designed to be the community focal point on aging where older persons as individuals or in groups can come together for services, activities and sociability.

The Board of Directors, staff, and members of LSCO extend a warm welcome to you. We're excited to have you as part of our dynamic organization!"
